## **Avant Electronics – Statement against Modern Slavery and Human Trafficking**

This statement is made pursuant to Section 54(1) of the Modern Slavery Act 2015.

We are committed to conducting our business ethically, and basic human rights are of the utmost importance in all we do. We will not tolerate human trafficking, modern slavery, or child labour in our operations or at any stage in our supply chain.

Any suspected human trafficking activity should be and will be reported immediately.

Our customers and suppliers have our guarantee that we will never knowingly conduct business or form any partnerships with customers or suppliers who do not adhere to these standards.

This statement is reviewed annually by our Directors and updated as appropriate.

Yours sincerely
